# UNIVERSITY OF ST ANDREWS

The University of St Andrews was founded in 1413, making it the oldest university in Scotland and the third-oldest in the English-speaking world. It is spread across the small mediaeval town of St Andrews and offers a vibrant, close-knit community. Currently there are about 7,800 students, including 1,630 postgraduates. About 45% of our students are from outside the UK, making us one of the most international universities in the UK.

We offer a range of postgraduate degrees across our four Faculties: Arts, Science, Medicine, and Divinity. A large number of subjects are ranked in top positions in various UK and world rankings, including: Philosophy, International Relations, History, English, Management, Economics, Chemistry, Physics, Computer Science, Mathematics, and Earth and Marine Sciences. About 60% of our research is world leading or internationally excellent. Furthermore, we are consistently ranked among the top five UK universities for student satisfaction, placing joint first in 2014.

In their free time students can enjoy three beaches, beautiful scenery, the town's famous golf courses, and unique university traditions. Our 50+ sports clubs cater to everyone from beginners to competing athletes, and there are 140+ student societies covering a range of interests – including a dedicated postgraduate society.

## Ever to excel

Study at the University of St Andrews and experience world-class teaching, cutting edge research and the flexible degree structure of Scotland's first university.
